STARS Champion of Champions

Show Teams and Rising Star Champion of champions is the brainchild of 35yr old Sarah Harrison. Stars established in 2018 in an inaugural competition that will take place over the weekend of the 16th and 17th November 2019. This new end of season Champion of Champion event will give many young and aspiring equestrians something to aim for and to represent the club which they ride for. What a true honour!

It is anticipated that the event will grow in future years – maybe even hold regional events. Sarah believes this event will bring together the best of the best who will go head-to-head to be crowned Champion. With the chance to win not only the joy of victory for individual riders, but also financial reward and prestige of being crowned the STARS Supreme Riding Club of the year. This will be done in such a manner as to make it fair whether you represent a large or smaller club – the top ten results from each season will be used and toiled to bring you your eventual champion.

This year Stars are holding their first southern championship at Addington Manor Buckinghamshire.
