### YOUR VIDEO ENTRY

- Given lockdown, we expect to see all dressage videos of you working at your home ground and in your normal riding clothes. Show attire is not required. Riding hats and correct footwear must be worn. Horses do not need to be plaited.
- You need to be in a correctly marked arena for your test (either 20mx40m or 20mx60m) whether that is on grass or in a school.
- Please do not submit tests of previous competitions that have already been judged. Any video that appears to be an old competition video or an old recording will be disqualified. Equally, if we suspect the video has had cuts or edits, it will be disqualified.
- Please ask the person videoing to stand at C (as if they were the judge) and to begin filming a couple of seconds before you approach 'A' to enter. Please ask them to zoom as you approach 'A' throughout the test so that we can still see the movements clearly. If you disappear from view during a movement marks will be deducted. Please turn the phone sideways when filming.
- Videos should be submitted with sound. **You may have a caller** but as with normal Affiliated and Unaffiliated Dressage Competition, outside assistance is not permitted.
- All BD rules as normal will apply.
